Welcome

Welcome to the first DMS monthly newsletter. We're planning to send you regular updates on what we're up to at DMS to help you to keep in touch with our ever-growing list of courses (open or in-house), professional assessments and HR consultancy services. We'll be updating you on developments here at our main training centre in Twickenham and at our centres around the country...and beyond!

Yes, we're expanding overseas! To celebrate our 21st birthday party, we've just bought a residential training centre in France. This combined with the relaunch of our website next month and our new programme of open courses for next year, it's a very exciting time for DMS. We are all looking forward to a great 2008.

2008 Open Course Programme

Our next cohort of open courses kicks off in the new year so if you're thinking of updating your HR and/or management skills in 2008, or know someone who should, then why not register now. We're extending our 10% discount offer on all bookings made before 5th January 2008, so make your new year's resolution early and grab your place. Just reply to this [mail](#) to book or for more information or call 020 8326 6200 if you'd like to chat through which option is best for you:

Courses which start in the new year include:

- CIPD Certificate in Training Practice (CTP) - 17th January
- CMI Diploma in Management— 23rd January
- CIPD Certificate in Personnel Practice (CPP) - 24th January
- CMI Diploma in Management Consultancy—27th February
- MSc in Strategic Personnel and Development—18th April

One to One PAC Assessments

If you'd like to get your CIPD qualification without the rigours of a long-winded college course, then why not consider our PAC Assessment options. These are a convenient and cost effective way to get your CIPD at times to suit you. You can choose either the standard programme where you write your portfolio or the executive option if your time is at a premium and you'd rather leave that bit to us. Email [Peter](#) or call him on 0208 326 6200 if you'd like to chat through which assessment route is the most appropriate option for you.

In-House Programmes

We run a wide range of in-house training courses and consultancy programmes, which can be tailored to your organisation's needs. All our courses can be accredited to ensure they achieve even more value for your business. Of particular interest to the public sector is the Diploma in Public Service Leadership. Call for a chat to see how we can help you.
